Humboldt State University Parking Services has revised its expectation for parking lot use during the duration of the project. Given the expected demand, Humboldt State University Parking Services is restricting all contractor parking to parking lot G1 located at the intersection of L.K. Wood Boulevard and Granite Avenue.

Please revise Paragraph five (5) on Page three (3) of the Request for Proposal to read:

“Parking is very limited on campus, and the Design Builder must conform to all HSU traffic and parking regulations. Parking is limited to onsite or parking lot G1, located at the corner of L.K. Wood Boulevard and Granite Avenue. Design Builder to incorporate any necessary measures to account for parking at this lot in the site use plan.”
