PROJECT: Archstone Playa del Rey Apartments

SENT TO: The Judges

DESCRIPTION: Clarification of Scheduling Constraints

LOCATION: Sec. 3B (Schedule) 2 of 8 letter n

SPEC REF: \_\_\_\_\_ SHEET NO: \_\_\_\_\_

OTHER: \_\_\_\_\_

INFORMATION REQUESTED: Subsection m indicates the start of 2<sup>nd</sup> floor interior finishes triggers the start of 1<sup>st</sup> floor " " in the next building. However, subsection n indicates that the start of 2<sup>nd</sup> floor interior finishes triggers "the start of the next building". Do you mean excavation or should it trigger the start of 1<sup>st</sup> floor interior finishes in the next building?
