	Operator	\$112.00	\$158.00	\$199.00		
	Oiler	\$105.00	\$146.00	\$184.00		

TERMS & CONDITIONS:

Operators and oilers have a 4 & 8 hour minimum on labor which includes set up and clean up and will be charged in accordance with California State Labor Laws.

- Any system added to booms in excess of 20FT will be charged \$1.00 per FT
- Oiler is required: On any equipment 42-Meter Boom and larger, all system jobs with more than 100 feet of system, or when an Operator cannot see the point of pour from, on, or at the pump.
- Overtime labor rates will be charged for Saturday, Sunday, and Holidays, as well as pours starting after 4:00 P.M. or before 4:00 A.M.
- There is a 1-hour set up and a 1-hour fold up on all pumps. Fold up starts after all concrete is out of the boom. System charges for delivery and/or set-up at labor rates.
- Contractor is required to provide a safe area for pumps to set up, operate, and to provide a washout area.
- Fleming will not accept back charges due to mechanical failure for more than the invoiced amount of the day and require a one hour grace period.
- Customers are advised that concrete pumps are subject to occasional mechanical failures and if assured performance is required, stand-by pumps are offered at the above rates. Fleming and Sons will not accept any back charges due to un-pumpable mixes, blockages, or foreign objects in the concrete pump.
- Preliminary notices will be filed on all jobs, unless previous arrangements are made within (15) days.
- A California CARB compliance fee will be added @ \$40.00 per invoice.
- A 7% fuel surcharge will be charged to all invoices.
