Our proposal is for the following scope/ clarifications:

2. We will furnish and install all the formwork. (All formwork is of the reusable type; we are not purchasing or building new forms for this project.)
3. We will furnish and place all concrete as indicated on the drawings for the building structure only.
4. We will stockpile all spoils/ soil in one location, off haul by others.
5. We are anticipating all soil to be clean, non-hazardous.
