

Project: GATTACA
Estimator: John Smith
Project Price: \$ 150,696

Specific Scope Requirements:

The Subcontractor's Work is to include, but not be limited to providing all labor, supervision, installation, layout, engineering, hoisting, unloading, parking, shop drawings, submittals, mockups, benchmarks, fabrication, materials, equipment, services, supplies, tools, facilities, transportation, storage, protection, handling, licenses, inspections, taxes (federal, state, county, local, etc.), overhead, profit, insurance, etc. as required to timely complete the Interior Glass in accordance with the Agreement and as more specifically defined in the Specification Sections listed below and as clarified thereafter. Enumeration of the Specification Sections herein is for the convenience of DPR and the Subcontractor and does not limit Subcontractor's responsibility to provide all of the Interior Glass required by the Contract Documents and as clarified below.

1. SPEC
SECT. NO. SECTION TITLE
08800 Glazing
08700 Finish Hardware
