DPR Construction

RE: SENSYS DIAGNOSTICS PROJECT

We submit the following proposal for the above referenced project.

Base Bid: \$ 3,214,000

Inclusions:

1. All aluminum curtain walls as shown in drawings
2. Glazed Aluminum Framing Systems
3. Integral Blind Glazing
4. Insulation, Fire Safing, and Joint Sealants to provide a full complete system
5. Engineered and stamped calculations by a licensed Arizona Engineer for submittal approval
6. Coordination with a 3rd party Skin Consultant
7. Caulking for only related scope

EXCLUSIONS:

1. Sales Tax
2. Removal and salvaging of the existing doors at elevation 2, note 17/AD.10; to be demo'd by the demolition subcontractor
3. Flashing at other areas other than sill flashing at masonry locations
4. Stainless steel drip; scope deleted
5. Parapet caps; by metal panel subcontractor
6. Final cleaning
7. Door vision lites
8. Interior glass scope
9. Interior aluminum frames scope
10. Section 084229 – Automatic Entrances; scope deleted
11. Mold, fungus and bacteria insurance; under Banner's insurance
12. Section 014516, 3.4B – Testing Agency Field Service
13. Section 014339, 3.3B – Testing Laboratory Fees
14. Metal coping at glazing systems; by metal panel subcontractor
15. Preconstruction and BIM services; under separate contract
