PAYMENTS ARE REQUIRED FOR STORED OFF SITE MATERIALS.**

Manufacturer’s price increases are estimated approximately 8% per year. In the event of price increase of material, supply, equipment, or energy, or any element of the subcontract occurring between the date of this proposal and the first day of performance of the subcontracted work through no fault of EBRS, the subcontract sum shall be equitably adjusted by change order(s) to reflect the price increase(s). EBRS shall be entitled to escalation costs regardless of Contractor being able to pass these costs to the client.

Contract is subject to Credit Approval. Payment terms are 50/45/5 or Contract, to be determined by EBRS.

This contract shall be deemed executed and enforceable in Alameda County, CA and any action to enforce the terms or all disputes on any lawsuits regarding interpretation or enforcement of this contract shall be venued in Alameda County, CA. On any amounts due and owing, interest shall accrue at the interest rate of 1.5% per month (18% per annum)

Acceptance of this proposal by Contractor shall be acceptance of all terms and conditions recited herein and shall supersede any conflicting term in any other Contractor's document or project advertisement. Any of the Contractor's terms and conditions in addition or different from this proposal are objected to and shall have no effect. Contractor's agreement herewith shall be evidenced by Contractor listing EBRS in its bid documents or by permitting EBRS to commence work for this project.

EBRS does not accept any liquidated damages caused by other Trades delays

Thank you for this opportunity to be of service. If you have any questions, or we can be of further assistance, please do not hesitate to call on us.
