

SKANSKA

Skanska USA

Our history

- Incorporated in New York since 1971
- World-class construction, civil and development operations
- Four business units operate in the U.S.: USA Building, USA Civil, Infrastructure Development and Commercial Development
- 39 offices across the country, averaging 80 years in operation
- More than 9,400 U.S. employees working everyday
- More than 400 LEED® Accredited Professionals and more than 125 projects that have achieved or are seeking LEED certification
- 4th largest heavy contractor
- 6th largest general building contractor
- Excellent safety record - in 2011, the industry has more than five lost time accidents for every one experienced at Skanska USA
- Among the first U.S. construction firms to have all operations ISO 14001 certified

Our financial strength

- Revenue of \$4.9 billion in 2011, representing 28 percent of Skanska's global construction revenues
- Equity of \$770 million
- Very strong bonding capacity of \$7.5 billion

Our investment

- Plan to invest approximately \$1 billion in commercial development properties in U.S. cities over the next five years
- More than \$2 million donated to local charitable initiatives over the last five years
- Approximately \$180 million in U.S. and state corporate taxes paid over the last five years
- More than 46 million man-hours in place annually

The values that define us - our Five Zeros

- Zero Accidents ▪ Zero Ethical Breaches ▪ Zero Environmental Incidents ▪ Zero Losing Projects ▪ Zero Defects
