Please carefully review the attached Submittal and assess for cost and/or schedule impacts. If required, submit a detailed cost estimate including quantity survey and unit costs for labor, fringe benefits, schedule accommodations, material, taxes, equipment rental, bonds, overhead, profit and all other costs to complete the change in your scope of work in accordance with the Contract Documents and the terms of your Agreement with Hensel Phelps Construction Co. If markups and/or unit prices have been specified in your Agreement, please follow them when completing your pricing.

☐ Proceed immediately with the attached change(s) and notify our jobsite office of any cost and/or schedule impacts within three (3) days of the above date.

☐ Do not proceed with the attached change(s). Provide a complete price breakdown and schedule impact analysis within three (3) days of the above date.

☒ Proceed immediately with the information contained in the attached Document(s). No cost or schedule impact is anticipated. Please confirm within three (3) days of the above date.

Please respond whether or not there is an impact to your cost or schedule. **If no response is received by the requested date, Hensel Phelps Construction Co. will conclude that there are no cost or schedule impacts associated with the item(s) listed above.**

Should you have any questions regarding the above, please contact the undersigned.

Sincerely,

HENSEL PHELPS CONSTRUCTION CO.

Glen Gleason
Office Engineer
