Subject: Permit #B2016-0887 – Excessive Construction Noise

Dear Mr. Smith,

This letter is to provide official notice of a deficiency and non-compliance with the minor conditional use permit for the property and permit number listed above. The city council and, in unison, the building and planning department have been notified by public meeting of the deficiency. This notice hereby requires cease operation of all construction operations until the issue has been resolved. Provide a formal response package for review by the planning department at City Hall.

Sincerely,

Laptalo, Branden L.
