- Hensel Phelps Architectural Drawings 100% SD, dated 7/03/2015

TERMS OF WARRANTY: RF, LLC warrants the RF installation, including labor and materials, for a period of one (1) year from the date of the final RF Integrity Test. Exceptions to this warranty are the gaskets for the RF door and frame, which have a useful life of less than one year. Additionally, RF, LLC warrants that the RF Fabric material shall be free of physical defect for a period of five (5) years from the effective date on the Warranty certificate. In the event that a material defect is found within the warranty period, RF, LLC shall provide replacement material free of charge in a quantity equivalent to the quantity of defective material. Exceptions for end-user negligence, acts of God, mischief, vandalism, fire, and water damage apply to the warranty.

NOTES:

The Contractor is responsible for ensuring that the room is ready to receive the RF-shielding installation when the RF, LLC crew arrives on site as follows:

- RF, LLC has free and clear access to the job site.
- The parent wall (drywall or plywood) and ceiling structure is complete per installation drawings.
- The room is completely empty and broom-swept.
- The room is properly conditioned and humidity-controlled.
- Contractor responsible for providing means of offloading RF material from delivery truck and store within 200 feet of RF room.
- Payment/Performance bonds, per project aggregate and waiver of subrogation insurance requirements are not included

Contractor may not start construction on any interior finished walls in the RF-shielded enclosure until RF, LLC has completed the RF-shielding installation, tested the enclosure, and turned it over to the contractor. Work stoppages not resultant from the actions of RF, LLC will result in additional charges. All work to be performed during normal straight time hours. Parts and/or labor in excess to those described above will be the responsibility of the Contractor and supplied and installed by RF, LLC on a time and materials basis.

Thank you for giving us the opportunity to quote this work.

Sincerely,
