RE: Addendum #3 – Artwork Installation

An anonymous donor has donated \$150,000 to MiraCosta College to incorporate the local landscape and culture into the design of the project. MiraCosta College previously requested that a mood board be produced with ideas of how the history and lifestyle of San Diego can be incorporated. They are now requesting the Design-Builder bring the mood board to life in the form of wall or ground murals, sculptures, gardens, etc. MiraCosta College is requesting that the Design-Builder include the community in the decision of how this allowance should be spent.

### Deliverables:

- Provide a narrative that outlines strategies of how the Design-Builder plans to engage the community on this art installation.
- Provide visual representation of how the art is showcased in the Student Services Building. This could be a rendering, elevation, floor plan, diagram, etc.
- Include activities in the schedule for the art installation.
- Include the cost of the art installation in the estimate.
  - Budget must be included under “ADDENDUM #3” tab of budget spreadsheet.
