RE: MiraCosta College Oceanside Campus - Student Services Building

Date: February 6th, 2025

To: Prospective Bidders

RE: Addendum #4B – Sanctuary for a Threatened Species

Due to the new Student Services Building taking over the open space that was previously a habitat for the Gnatcatcher, MiraCosta College is exploring building a sanctuary for them on the roof of the Student Services Building. This sanctuary should be open air to allow the birds to come and go, while also providing a resting place. The sanctuary at a minimum must occupy approximately 25% of the roof area. MiraCosta College is requesting a schedule, estimate, and schematic design be developed.

Deliverables:

- A cost analysis for building this sanctuary.
- A duration of how many days would be added to the schedule if this work were to proceed.
- Schematic designs of the sanctuary.
- This scope of work (Addendum 4B) should be treated as an add alternate to the proposal.
