At CEI, you can build your own story and grow to your full potential. You'll collaborate and celebrate with amazing people. And you'll go home knowing that you helped contribute to important work that shapes people's lives.

We believe that:

- It's more than a job, it's an opportunity to learn and grow.
- You should like the people you work with.
- Good work should be rewarded.
- Reputation is everything—and we have a great one.
- We have a responsibility (and the passion) to positively impact the communities where we live and work.

“
